

A night cityscape with illuminated buildings and a river. Overlaid on the scene are several large, semi-transparent Everglow safety signs, including a right-pointing arrow and a circular arrow. The word "EVERGLOW" is written in large, bold, red capital letters across the bottom of the image. A registered trademark symbol (®) is visible to the right of the word.

Medidas e distâncias de observação

Measurements and observation distances

Para sinalização com símbolos,
to signaling with symbols,

$$A > \frac{L^2}{2000}$$

onde,

A é área do sinal, em metros quadrados;

L é a distância do observador ao sinal, em metros.

where,

The signal area is in square meters;

L is the distance from the observer to the signal in meters.

Fórmula válida para distâncias (L) iguais ou inferiores a 50 metros, sendo que deve ser observada a distância mínima de 4 metros, conforme tabela 1.

Formula valid for distances (L) or less than 50 meters, which must be observed the minimum distance of four meters, as table 1.

onde,

h é altura da letra em metros;

L é a distância do observador ao sinal, em metros.
